

# Molecular Biology and Evolution

## *Editor in Chief*

Walter M. Fitch, University of California, Irvine

## *Managing Editor*

Masatoshi Nei, Pennsylvania State University

## *Associate Editors*

Wesley M. Brown, University of Michigan

Michael Bulmer, Rutgers University

Takashi Gojobori, National Institute of Genetics

Barry G. Hall, University of Rochester

Jan Klein, Max-Planck-Institut für Biologie

Martin Kreitman, University of Chicago

Paul Sharp, University of Dublin

Alan Weiner, Yale University

Elizabeth A. Zimmer, Smithsonian Institution

## *Editorial Assistant*

Sandra C. Perrine

## *Editorial Board*

Charles Aquadro

*Cornell University*

Norman Arnheim

*University of Southern California*

John C. Avise

*University of Georgia*

Francisco J. Ayala

*University of California, Irvine*

Jaap Beintema

*Rijksuniversiteit, Groningen, The Netherlands*

François Bonhomme

*Institut des Sciences de l'Évolution, France*

Joel Cracraft

*American Museum of Natural History*

Ross H. Crozier

*The University of New South Wales, Australia*

W. Ford Doolittle

*Dalhousie University, Canada*

Marshall H. Edgell

*University of North Carolina*

George Fox

*University of Houston*

Morris Goodman

*Wayne State University*

Manolo Gouy

*Université Claude Bernard-Lyon, France*

Ross Hardison

*Pennsylvania State University*

Daniel L. Hartl

*Washington University*

Richard Holmquist

*Space Sciences Laboratory, University of California,*

*Berkeley*

Hiroshi Hori

*Hiroshima University, Japan*

Alec Jeffreys

*University of Leicester, England*

Charles H. Langley

*University of California, Davis*

Richard C. Lewontin

*Harvard University*

Wen-Hsiung Li

*University of Texas at Houston*

Linda Maxson

*Pennsylvania State University*

Roger D. Milkman

*University of Iowa*

Takashi Miyata

*Kyoto University, Japan*

Saitou Naruya

*National Institute of Genetics, Japan*

Syozo Osawa

*Nagoya University, Japan*

Dennis A. Powers

*Hopkins Marine Station, California*

Nils Ryman

*University of Stockholm, Sweden*

Barbara Schaal

*Washington University*

Robert K. Selander

*Pennsylvania State University*
