

SOCIETY FOR MOLECULAR BIOLOGY AND EVOLUTION

WorldWide Web site: <http://www.smbe.org>

Council

Daniel L. Hartl, *President*

Department of Organismic and Evolutionary Biology, Harvard University, 16 Divinity Avenue, Cambridge MA 02138. Phone: +1 617 496 3917, Fax: +1 617 496 5854, E-mail: dhartl@oeb.harvard.edu

Michael T. Clegg, *President-elect*

Genetics Center, University of Texas, PO Box 20334, Houston, TX 77225. Phone: +1 713 792-4619, Fax: +1 713 792-4615, E-mail: gbsboo5@utsph.sph.uth.tmc.edu

Wen-Hsiung Li, *Past President*

Genetics Center, University of Texas, PO Box 20334, Houston, TX 77225. Phone: +1 713 792-4619, Fax: +1 713 792-4615, E-mail: gbsboo5@utsph.sph.uth.tmc.edu

Marcy K. Uyenoyama, *Secretary*

Department of Zoology, Box 90325, Duke University, Durham NC 27708-0325. Phone: +1 919 660-7350, Fax: +1 919 684-6168, E-mail: marcy@amida.zoo.duke.edu

Simon Easteal, *Editor*

The John Curtin School of Medical Research, The Australian National University, Canberra, ACT 0200, Australia. Phone: +61 2 6125 4719, Fax: +61 2 6125 4712, E-mail: simon.easteal@anu.edu.au

Richard R. Hudson, *Treasurer*

Department of Ecology and Evolutionary Biology, Steinhaus Hall, University of California, Irvine, CA 92717. Phone: +1 714 824-8680, Fax: +1 714 824-2181, E-mail: rudson@uci.edu

Tomoko Ohta, *Council Member (2001)*

National Institute of Genetics, Mishima, 411-8540, Japan. Phone 81-559-81-6784, Fax 81-559-81-6779, E-mail: tohta@lab.nig.ac.jp

Monserrat Aguade, *Council Member (2002)*

Department de Genètica, Facultat de Biologia, Universitat de Barcelona, Diagonal 645, 08071 Barcelona, Spain. Phone: +34 93 402 14 93, Fax: +34 93 411 09 69, E-mail: aguade@porthos.bio.b.es

Howard Ochman, *Council Member (2003)*

Department of Ecology and Evolutionary Biology, 233 Life Sciences South, University of Arizona, Tucson, AZ 85721. Phone: +1-520 626-8355, Fax: +1-520-621-3709 E-mail: hochman@u.arizona.edu

The Society for Molecular Biology and Evolution is an international society that exists to provide facilities for association and communication among molecular evolutionists. All individuals who are actively interested in any field of molecular evolutionary biology are eligible for active membership in the Society. The Society sponsors an annual scientific meeting.

Annual membership in the Society for Molecular Biology and Evolution includes a subscription to *Molecular Biology and Evolution*, and members pay a lower registration fee than do non-members for participation in the annual meeting. Membership application forms can be obtained from: <http://www.smbe.org/journal/other.html#membership>. Joint heads of household who both qualify for an individual membership may choose a family membership, which entitles each to be listed as a member and to vote and which entitles the household to receive a single subscription to *Molecular Biology and Evolution*.

Subscription Rates Annual membership in the Society for Molecular Biology and Evolution includes a subscription to *Molecular Biology and Evolution*. Memberships are payable in U.S. Dollars. Individuals: \$80 for print only, \$40 for online only, \$100 for print and online; students (copy of student I.D. must be included): \$60 for print only, \$30 for online only, \$80 for print and online; family: \$90 for print only, \$45 for online only, \$110 for print and online. All subscriptions are on a calendar year basis and start with the January issue. AllenAir delivery is included in the rates for all subscriptions outside of North America.

Institutional subscriptions to the journal are at an annual rate of \$335.00 for online only and \$425 for print and online. Subscriptions should be directed to: *Molecular Biology and Evolution*, P.O. Box 1897, Lawrence, Kansas 66044-8897. Subscriptions are payable in U.S. Dollars. AllenAir delivery is included in the rates for all subscriptions outside of North America.

Correspondence regarding change of address, missing issues, and other non-editorial matters should be addressed to: *Molecular Biology and Evolution*, P.O. Box 1897, Lawrence, KS 66044-8897.

Editorial Correspondence *Molecular Biology and Evolution*, Editorial Office, John Curtin School of Medical Research, Australian National University, Canberra, ACT 0200, Australia. Phone: +61 2 6249 2435, Fax: +61 2 6279 9618, E-mail: mbe@anu.edu.au

Submission of Articles Publication in *Molecular Biology and Evolution* is open to members and non-members alike, and acceptance of papers for publication after editorial review is decided solely on the basis of merit and suitability.

Send one original and two high-quality copies of the manuscript to the editorial office listed above. Proposals for review articles and book reviews must be discussed with the Editor before submission. Authors may also send manuscripts of *original research articles only* directly to Associate Editors, whose addresses are given at: <http://www.smbe.org/journal/currentLae.html>. When doing so, in order to avoid unnecessary delays, authors should contact the Associate Editor before sending the manuscript. At the same time the manuscript is mailed, authors should notify the Editorial Office by e-mail of the title, authors, contact information for the corresponding author, and the name of the Associate Editor. This notification will permit us to ensure that manuscripts are handled promptly and will prevent undue delays in the event that a manuscript is lost in the mail. In either case, if an author has not received an acknowledgment of the manuscript within 10 days of sending it, the Editorial Office should be contacted immediately.

Preparation of Manuscripts Complete Instructions to Authors are published in the January issue of each volume and on the SMBE website at: http://www.smbe.org/journal/author_info.html. Contributors should consult these instructions for detailed information about the format for manuscripts for *Molecular Biology and Evolution*. Manuscripts that do not conform to *Molecular Biology and Evolution* format will be returned to authors without review.

Page Charges There is a charge of \$35 per page or fraction of a page for the first ten pages for publication in *MBE*. For each page over ten, the charge is \$64 per page. These charges will be reduced to \$30 per page (and \$59 for pages in excess of ten) for final versions that are submitted with a disk. If the authors do not have the financial resources to cover these charges, a waiver of the charges may be requested of the Editor at the time that a manuscript is officially accepted for publication by the Editor. Page charges will not be waived for pages over ten. Page charges will not normally be waived unless an electronic version of the manuscript accompanies the final, printed version which the Associate Editor sends to the editorial office with a recommendation for acceptance. Articles are selected without regard to authors' ability to pay page charges.

Molecular Biology and Evolution (ISSN 0737-4038) is published monthly by the Society for Molecular Biology and Evolution, Allen Press, 810 East 10th Street, Lawrence, KS 66044-8897.

Permission to Photocopy The Society for Molecular Biology and Evolution permits unlimited photocopying of any article in *Molecular Biology and Evolution*, without fee, provided that the copies are made only for educational or personal use. Students may incorporate any portion of their research published in the journal into a dissertation without further specific permission. To request permission for other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale, kindly write to the Editor.

Postmaster Send address changes to *Molecular Biology and Evolution*, P.O. Box 1897, Lawrence, KS 66044-8897.

Periodicals postage paid at Lawrence, KS, and at an additional mailing office. Published by the Society for Molecular Biology and Evolution, 810 East 10th Street, Lawrence, KS 66044-8897.
